insect light traps

LuraliteCento™LED

The next generation of the discreet Luralite range of insect light traps is now available in white, black, brass and stainless steel.

With freshened up styling, the Luralite Cento LED incorporates the same robust metal construction and discreet insect control of the ever-popular fluorescent model, but now with highly energy efficient LED UV technology.

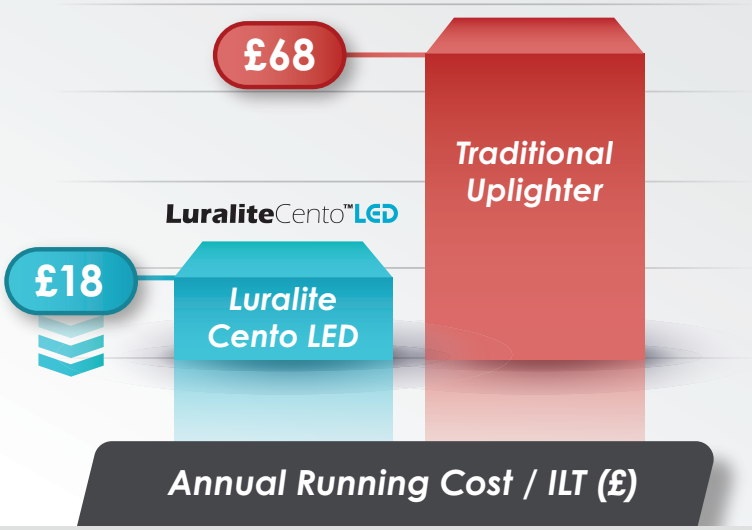

- REDUCED RUNNING COSTS
- HIGH EFFICACY
- IMPROVED SUSTAINABILITY
- ROBUST CONSTRUCTION

Low power draw delivering up to 73.5% lower running costs that traditional fluorescent lamp models.

Robust all metal construction.

Common glueboard with previous Luralite Cento models.

3 year LED source life, for extended service times.
